

Circular No: CIR20-21/006**06/06/2020****Classes: I-VIII**

Dear parents,

Assalamu Alaikum WRB!

Online Classes for **Grades I-V** will commence from **Monday, 8th June 2020**. As it is essential to reduce screen time and in compliance to the parental suggestions we have optimized the class timings. Moreover, we tried our best to ensure that there is no clash in timings with the Higher classes in case there are multiple users in the family.

However if the child is unable to attend classes for any reason, we assure you that the Digital content will be posted through the **MCB App** and will include presentations by the teachers and assignments. Alternately if you have doubts regarding the lessons, you may contact the teacher during the Remedial session. The details of the MCB App will be shared shortly.
