Dear parents,

Assalamu Alaikum WRB!

We would like to address a few queries that parents wanted to know regarding **HAUNA NURTURE- A guided Home Schooling Program.**

1. The activities for our kindergarten learners are fun and engaging. They are supposed to be done with joy and pleasure. Do not treat it as a homework or burden.
2. Set a time table and make it an enjoyable experience. Parents need to dedicate only about **30-45 minutes** a day to guide them in completing the fun tasks. While the children watch videos of rhymes and stories, it is necessary to ask them questions and explain the same to them in your own mother tongue.
3. The rhymes and stories are for enjoyment and not for memorization. They are designed to help the child in language development.
4. Lesson plans will be shared every **Sunday, Tuesday and Thursday evenings**, Insha Allah. Therefore parents have two days to complete all the prescribed activities.
5. Along with the Lesson plan we will provide detailed explanation of the Activities expected to be completed.
6. The work done by the child has to be submitted in the respective WhatsApp group on the following days- **Tuesdays, Thursdays and Saturdays**. Timing: **2:00 pm to 4:00 pm**.
7. **ATTENDANCE**- Submission of the work done by the child will be treated as Attendance and recorded in the registers by the class teachers.
8. If you are sending videos of the child in the group, we request you to adhere to the Islamic dress code.
9. We will share the name and contact numbers of the Class teachers in the group. If you have any doubts and need clarification, kindly send message to the class teachers between **4:00 pm to 7:00 pm (Monday to Saturday)** and we will address all your concerns.
10. Tarbiyyah Checklist response will be recorded once you fill and submit the google form and there is no need to send the image in the group.
11. If you have any suggestions please feel free to write to us.
