

SANA SCIENCE FEST

TODAY'S SCIENCE IS TOMORROW'S TECHNOLOGY

SANA MODEL SCHOOL, Chennai organized Science Fair on **7th Dec, 2019**. Students from VI to XII classes presented their projects.

The Purpose and objectives of the science fair are:

- To explore and encourage **scientific** and **technological talent** among the young generation.
- To promote **creative thinking** and **manipulative skills** among children through self devised science projects.
- To bring out the **future scientists** into lime light who may then be trained as proficient inventors for the growth of the society, nation and mankind.
- To create **awareness among the public** regarding the role of science and technology in the **sustainable growth and development** of the country.

The correspondent **Mr. Noorul Ameen**, Principal Ms. **Najia Tahmeen** and vice Principal Mr. **Rahamathullah** graced the occasion.

The chief guest, **Dr. Amzad Basha**, Assistant Professor at The New College Chennai, inaugurated the Science Fest by embedding the seeds in the soil and addressed the gathering. He encouraged the students to develop scientific fervor and an attitude of research mindedness so that they develop the qualities of analytical and critical thinking. The parents were also invited to witness the science fair.

At the end of the programme the prizes were distributed and the participants received the participation certificates.
