

How to change and manage your Password?

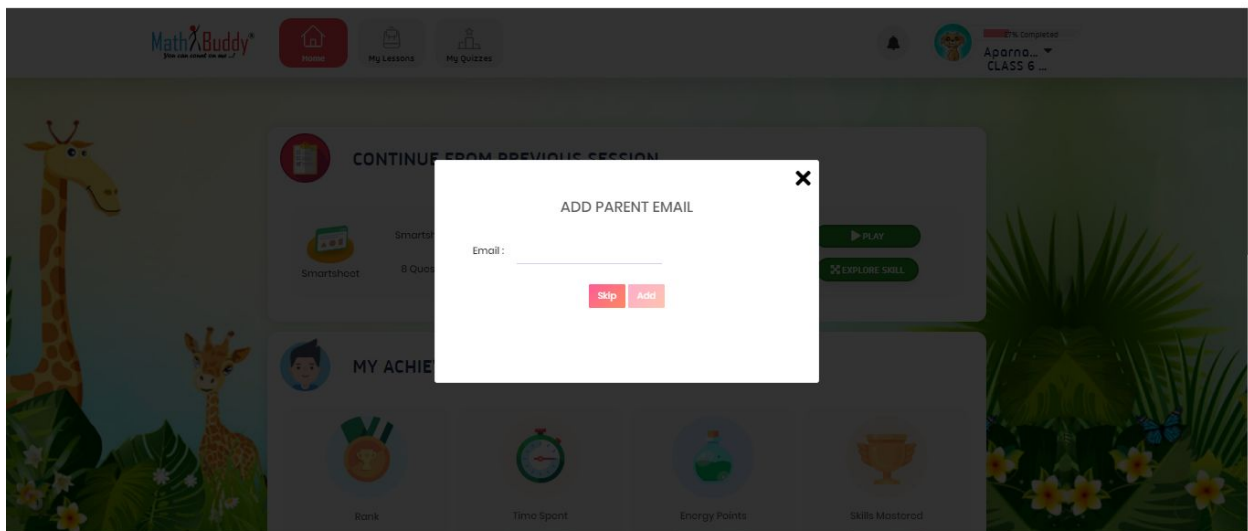

Dear Parent,

Welcome to Math Buddy!

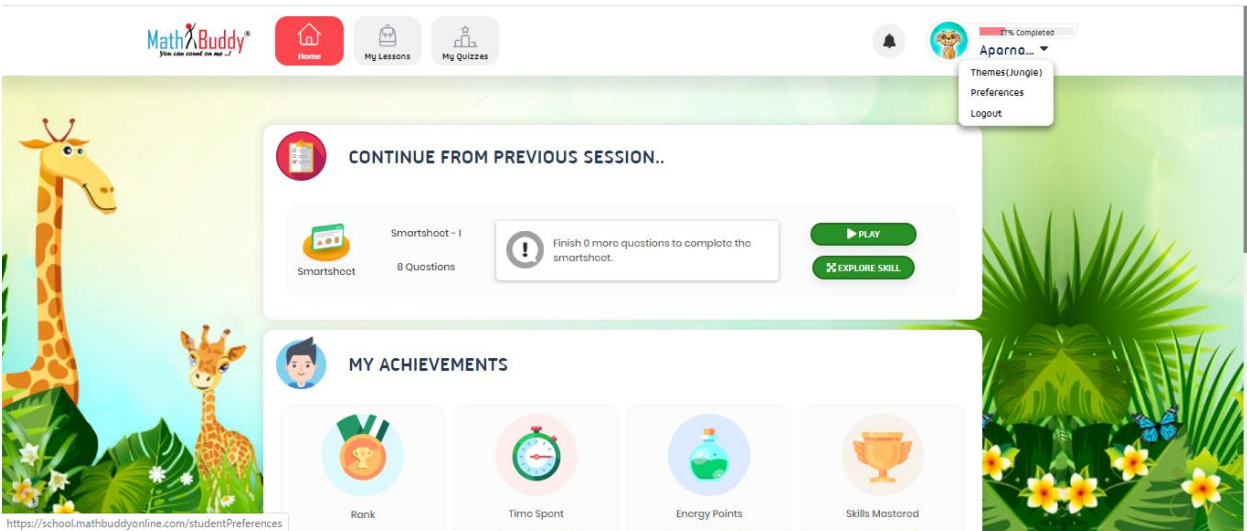

Login and enter your Email Id

Once you login, you will be prompted to enter Parent Email. Enter your email address without fail because this is required to access your child's account in case you forget the password. If you miss this, you can update your email address in the Preferences section.

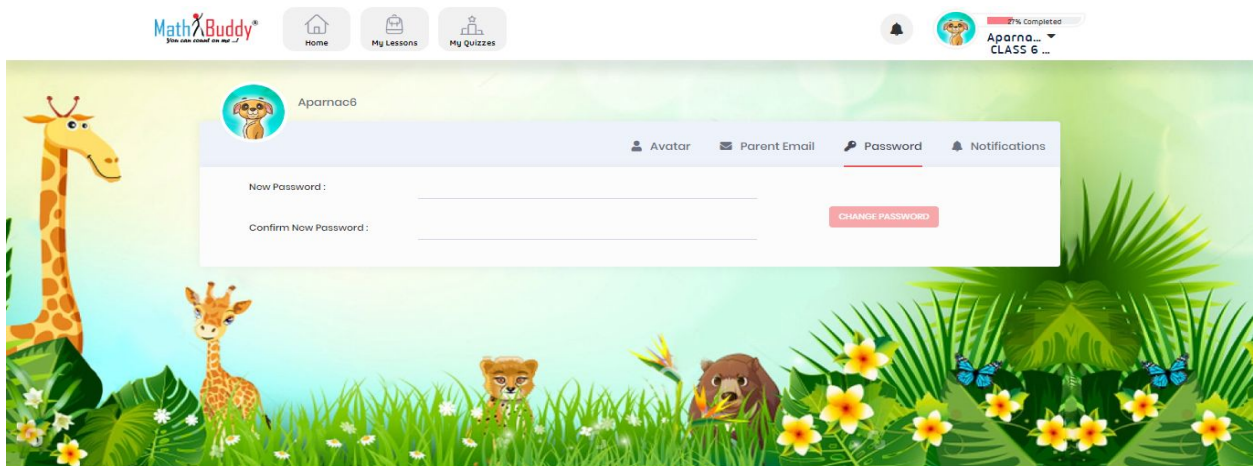

Go to Preferences Section

How to change and manage your Password?

Change your password here:

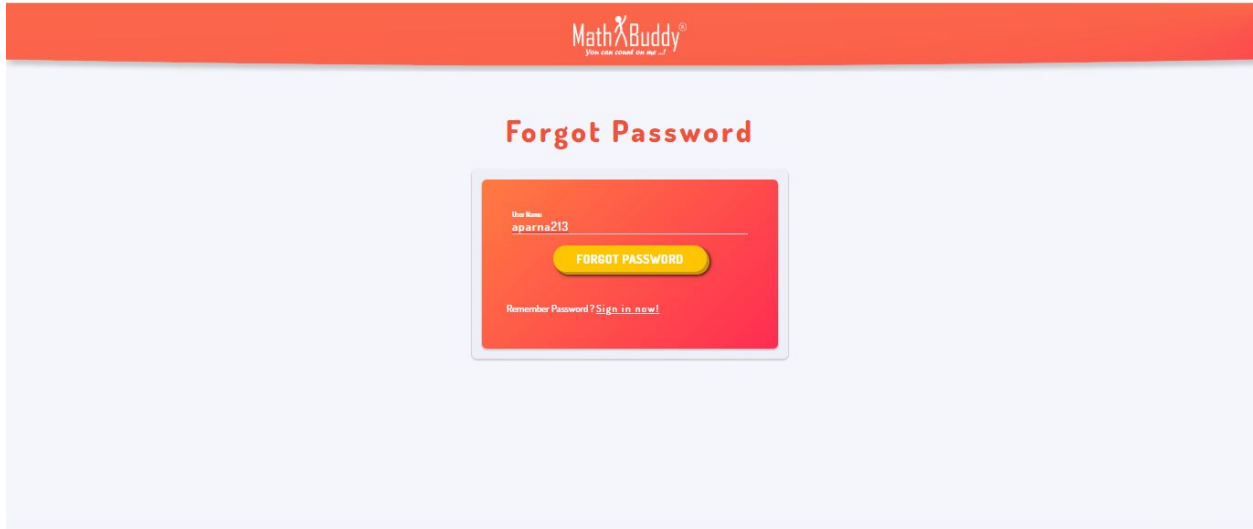

That's it!

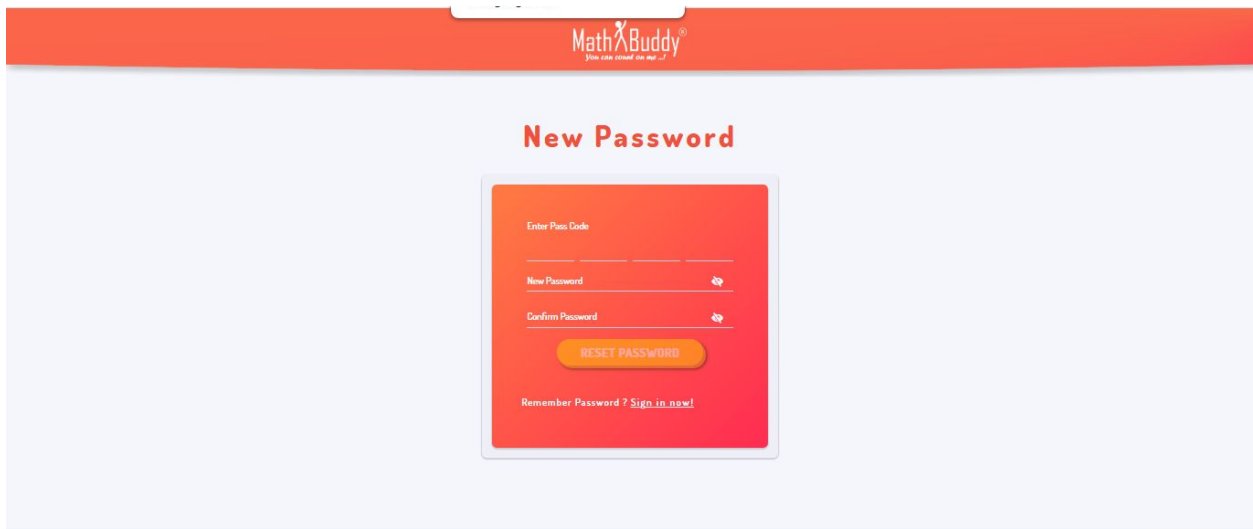

Now, if you forget your password next time you login, you can click on "Forgot Password".

You will be asked to provide your username:

How to change and manage your Password?

An email will be sent to your registered email address. Enter the code received there in the next screen.

If you have any queries, please contact us at support@mathbuddyonline.com.
